Dear Tony,

On behalf of The Recording Academy® **Atlanta Chapter**, we want to thank you for providing brunch for T.I., Jason Geter and Ryan Cameron at the GRAMMY® Professional Development Event *A Conversation with T.I.* at Vinyl on January 24. You helped us make the day a meaningful experience for our three guests. The Atlanta Chapter is lucky to have you as a friend, and we truly appreciate your support.

Thanks again for all your help.

Sincerely,
